

# SUMMIT LEADERSHIP PROGRAM

Are you ready for the pinnacle leadership development experience for your students? The summit leadership experience is designed to equip emergent leaders with knowledge, skills, and experience, delivered by leadership mentors and business leaders. Adventure Point partners with your school to provide an immersive hands-on leadership program that participants can include on college and job applications. Students will learn concepts and skills from leadership expertise in the community through direct interaction and fun on-site visits in the community.

## PROGRAM

The Summit Leadership Program is a school year-long program (September - May). Each cohort will meet one full weekday per month from at your School (based on your schedule) and other locations in the community 2-3 times per course. The program includes a weekend retreat, evening events, and other select special events opportunities. Past courses have included visits to sporting events, arts events, government meetings, teambuilding retreats, community service projects and more. The program uses hands on games and activities to drive understanding of core leadership principles and concepts.

## WHO CAN PARTICIPATE

The Summit Leadership Program is open to high school Juniors and Seniors. Our team partners with your school to serve your chosen group of students (typically 15-25 students per group) in school based on your schedule. The group can be integrated into an existing class, or built as a stand-alone program in your school.

## INCLUDES

Instructors to deliver leadership curriculum, panels of expert speakers from the community, and any event related expenses (example: sporting event tickets or retreat fees, etc)

## COST
